Urban Interiors designs and customizes living spaces, and their goal is to customize your space into your 'happy place'.

From sprawling villas to tiny studios, they can help you transform your home into the one you've always dreamt of.

Subtle elements like curved letters are infused within the brand wordmark to make it eye pleasing and comfortable to look at.

To add dimension, elements resembling products provided are combined.

While we design your home, you will never have to wonder what we're up to, whether we will get it right, because we're transforming the home designing experience with trust & transparency.

Urban Interiors is looking to be a key player in the interior design industry.

At Urban Interiors, believe a home is much more than a space.

The Indian interior design market was worth USD 23.2 Billion in 2020 and is further projected to reach USD 38.2 Billion by 2027, at a CAGR of 7.4% during 2021-2027 (forecast period).

It is the feeling of peace, safety, joy and love, where everything feels right.

We are transforming homes so that it becomes an extension of you - familiar and loved.

Does:-

does - What behaviour have we observed?  
what can we imagine them doing?

Feels - What are their fears, frustrations, and anxieties?
